Dear Honorable Chief van Oirschot,

Re: Proposal for the Harmony World Village Memorial and the Crystal Seed Project on Pelee Island

I am writing to introduce a visionary initiative that has been designed by our production team here in Windsor, Essex to honor the sacred heritage of the Great Lakes, Pelee Island and the enduring stewardship of the Caldwell First Nation. Our proposal is inspired by the recent historic land acknowledgement by His Majesty King Charles III alongside Her Excellency Mary Simon, Canada's first Indigenous Governor General. We have dedicated our signature theme song "4 the Children" to this campaign in honor of Canada's National Truth and Reconciliation day. We know that this is a profound moment to create a living legacy that celebrates Indigenous leadership, honors the free-will water rites to Mother Earth that unites communities with self-evident truth, reconciliation and renewal Harmony World Village Memorial: a timeless proof with concept remedy culture memorial.

Project Overview

The Harmony World Village Memorial is anchored by the Crystal Canopy covering (sky) and the Crystal Seed planting (earth), a unique architectural display that is inspired by the sacred geometry of the medicine wheel and the dream catcher. This livingry installation, constructed from durable metal tubing and adorned with diamond-shaped panels, will serve as a gathering place for reflection, ceremony, and education. The design's four-pointed star and compass orientation symbolize hope, direction, and unity to all peoples.

A Sacred Beginning: The Crystal Seed Planting Ceremony

We propose to begin with a Crystal Earth Seed planting ceremony on Pelee Island, inviting Caldwell First Nation elders, youth, and community members to dedicate the site to Mother Earth and the Great Lakes water spirits. This act will serve as a cultural catalyst for unity, healing, and intergenerational connection: echoing the timeless cultural values from the Caldwell First Nation and the broader Indigenous community.
